Relief Donation for Tohoku Region Pacific Coast Earthquake

Nippon Chemi-Con Group would like to extend our condolences to the people affected by the Tohoku Region Pacific Coast Earthquake.

Nippon Chemi-Con Group announced that it will donate 100 million Japanese yen to assist relief and recovery efforts in communities affected by the Tohoku Region Pacific Coast Earthquake.

Nippon Chemi-Con Group will be celebrating its 80 years anniversary this August but plans to allocate the budget prepared for anniversary celebration activities for donation.

We sincerely hope for swift recovery of the communities affected by the disaster.
